To Whom It May Concern:

Dear Sir or Madam,

This letter is to attest to the professionalism shown by Worship Interiors Group, owed by Eric Vorhees, and his employees. I hired the company to refinish and re-upholster the pews and the craftsmanship and work ethic of the entire crew was impressive.

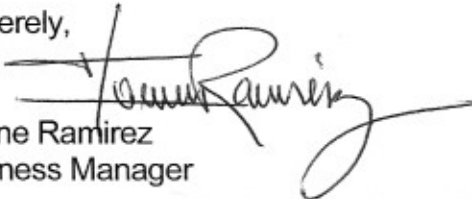

Eric made the process a no hassle one from the beginning. He offered the best proposal in terms of time and cost and delivered in every way. He was always punctual, kept very good communication at all times and the pews arrived and were installed on time and they look like new.

I definitely recommend his company without hesitation. I originally heard about Worship Interiors from a neighbor parish who highly recommended them to me.

As a happy customer a give credit where credit is due.

Sincerely,

Ivonne Ramirez
Business Manager
