On behalf of the Providence Baptist Church of Richmond, CA we would like to thank Eric Voorhees and the Worship Interiors Group for all their hard work, dedication to excellence, and professionalism during our sanctuary renovation.

Our pew restoration came out better than we had ever expected. The installers were timely, courteous and respectful to our sanctuary. We gladly recommend the Worship Interior Group as part of any church renovation project. We would like to say thank you Eric Voorhees for your patience and help. All we would like to say is, "let the pictures speak for themselves."

Sincerely,
Rev. A.L. Cobbs, Jr.
