Dear Eric,

On behalf of our congregation and staff, we would like to extend our most sincere thanks for your "above and beyond" participation in our Sanctuary Renewal Project. We are deeply grateful for the professional excellence you and all your workers brought to our job, and for all the ways you invested in our project's success. Besides being truly expert, you were flexible, cooperative, and a true pleasure to work with. We could not have asked for better.

Our community is thrilled with our "new" Sanctuary including its beautifully restored pews, and we are excited to see how it will support our mission in fresh ways in the coming decades. Thank you for helping create this remarkable transformation.

Sincerely,

Steve Schibsted
