Dear Eric,

We at St. Rose Catholic Church wish to thank you and your crew for the excellent job in refinishing the pews in our church. It was a job well done and the pews look beautiful.

Your crew members were very professional, polite, and punctual. We enjoyed having them perform the service.

We at St. Rose were a bit concerned about the scheduling, which involved the removal of the pews to be refinished, the temporary placement of alternate pews for the three-week refinishing period and the three-day installation of the refinished pews. All went like clockwork and we were ready for our Saturday evening Vigil Mass as scheduled. We commend you on all aspects of the job.

Sincerely,

Fr. Denis O'Sullivan  
Pastor
